Dear Colleague:

This is a reminder for your students who have been admitted as transfer students to UCSC for fall 2009, that the deadline for them to submit their Statement of Intent to Register (SIR) is June 1 at 11:59:59 p.m. Pacific Daylight Time.

Submitting the SIR is a seven-step process that students complete online at my.ucsc.edu, including electronic payment of any applicable fees. After they submit their SIR online, students can also use my.ucsc.edu to sign up for Summer Orientation.

As the deadline approaches, we encourage students to call or e-mail us with any last-minute questions. For questions involving accepting the offer of admission, call (831) 459-2131 or e-mail myapplication@ucsc.edu. Students who have difficulty accessing my.ucsc.edu should see its.ucsc.edu/ais/help/students, e-mail help@ucsc.edu, or call (831) 459-4357.

Please encourage your students not to wait until the last minute to access my.ucsc.edu. Regardless of when they plan to submit their SIR, we suggest that they take a few moments to log on as soon as possible and make sure that they have no trouble with their user ID and password.

We thank you for your ongoing support of your students.

Best wishes,

UC Santa Cruz
Office of Admissions
