CONDITIONS OF ADMISSION

Your admission to UC Santa Cruz for the fall quarter 2014 is provisional subject to the conditions listed below. **It is important that you read these carefully because it is your sole responsibility to ensure they are met. Your admission will be canceled if you do not fulfill these conditions.**

1. Meet all requirements needed for transfer eligibility to the University of California.

   *All requirements must be met no later than the spring 2014 term. UCSC does not allow summer 2014 coursework to meet your Conditions of Admission.*

2. Complete the coursework you reported as “in-progress” or “planned” with minimum grades of C (2.0).

   *Immediately notify our office in writing, either by e-mail or by letter, of any changes to the program of study listed on your application (including attendance at an institution different from that listed on your application), as these changes can affect your admission.*

3. Maintain good standing at your last school.

   *A student is in good standing if the grade point average is at least 2.0 and the official transcript does not indicate dismissal, probation, or other restrictions. A student who has outstanding financial obligations to another institution is not considered to be in good standing.*

4. Ensure all official transcripts (final high school and all collegiate transcripts) and official test scores are received by the Office of Admissions (1156 High Street, Santa Cruz, CA 95064). **All official transcripts must be received no later than July 1, 2014, and all official test scores must be received no later than July 15, 2014. You are solely responsible for compliance with these deadlines.**

   *An official transcript is one that we receive directly from the institution in a sealed envelope or electronically with appropriate identifying information and authorized signature. If you received a GED or CHSPE, an official copy of the results is required.*

   *Advanced Placement (AP) exam results must be submitted to our office from the College Board; and International Baccalaureate (IB) exam results must be submitted to our office from the International Baccalaureate Organization. Official TOEFL or IELTS exam results are also required for students who reported scores on their application.*
