

CONDITIONS OF ADMISSION CONTRACT

Your admission to UC Santa Cruz for the fall quarter 2015 is provisional subject to the conditions listed below and your specific conditions in the portal at my.ucsc.edu. **Read all conditions carefully because it is your sole responsibility to ensure they are met.** Our goal in clearly outlining these conditions is to avoid misunderstandings that may result in an enrollment hold, a change in your residential college assignment, and/or the cancellation of your admission, either before or after enrollment.

Your admission is subject to immediate cancellation if you do not fulfill all conditions.

1. Earn a level of academic achievement in your fall and spring courses consistent with your previous coursework, with no grade lower than a C (or equivalent for other grading systems). If you have already earned a grade of D, F, or anything other than A-C (or equivalent for other grading systems) in your senior year (fall or spring), or if your overall GPA drops noticeably, you have not met these conditions of admission.
2. Complete all coursework as listed on your application and graduate from high school. You are responsible for the accuracy and completeness of all information reported on your application. Consistency of self-reported information with actual grades and courses is required. Immediately notify admissions@ucsc.edu of any changes to the program of study listed on your application (including attendance at a school different from that listed on your application), as these changes can affect your admission. Failure to provide immediate notification is in itself grounds for cancellation of admission.
3. Ensure all required **official transcripts** (final high school and all collegiate transcripts where courses were attempted, regardless of the location, even if they are also on your high school transcript) are received by the Office of Admissions, which will verify your self-reported academic record. **All official transcripts must be received no later than July 1, 2015 at 5:00 p.m. Pacific Time (PDT).**
An official transcript is one that we receive directly from the institution in a sealed envelope or electronically with appropriate identifying information and authorized signature indicating the exact date of graduation. If you received a GED or a high school proficiency exam, an official copy is required.
4. Ensure all required **official test scores** are received by the Office of Admissions. **All scores must be received no later than July 15, 2015 at 5:00 p.m. Pacific Time (PDT).**
In addition to the required examination score (SAT or ACT Plus Writing), Advanced Placement (AP) exam results must be submitted to our office from the College Board; and International Baccalaureate (IB) exam results must be submitted to our office from the International Baccalaureate Organization. Official TOEFL, IELTS, or other exam results are also required for students who reported scores on their application.
5. Our Student Conduct Code – <http://deanofstudents.ucsc.edu/student-conduct/student-handbook.html> – is applicable once a student has been admitted and is enrolled in classes at the university. Should your behavior be deemed to be in violation of the student code of conduct, you may be subject to student disciplinary action. In addition, if your behavior is incompatible with positive contributions to the campus environment (safety concern, violence, threats, etc.), we have the right to cancel your admission, prior to your becoming a student. We expect all community members to abide by our Principles of Community – <http://www.ucsc.edu/about/principles-community.html>.
