

Waitlist Step-by-Step for Transfer Applicants for Fall 2020

If you are offered a place on the UC Santa Cruz waitlist, you must opt in. You will not be placed on the waitlist automatically.

1 If you've received a UCSC waitlist offer...

- Your admission status on *my.ucsc.edu* will indicate that you were denied admission, but that you have a waitlist option.
- To accept your waitlist option, in *my.ucsc.edu* click on the Waitlist Offer link, and then click the button indicating "Accept Waitlist Offer."
- Once you've completed that step, you should receive an immediate acknowledgment that you've accepted your Waitlist Option.

Deadline: May 15, 2020

2 If you're later offered admission...

- No later than mid-July, we will send you an email indicating you've been offered admission and your portal status will change.

3 ...accept the offer of admission...

Deadline: One Week

- Accept your offer of admission through the portal by the stated deadline, normally one week from being offered admission.
- Once we have received your acceptance, you will be able to log in to *my.ucsc.edu* to verify your new status. This process normally takes no more than two days once you've accepted your offer of admission through the portal.

What else can I do besides wait?

Did you receive an offer from another college or university? Take it! Do not rely on being admitted off the UCSC waitlist.

Any changes to your schedule? Let us know on the Transfer Academic Update (TAU) (until March 31) or on admissions.ucsc.edu/update-tr (after April 1).
