Before You Begin

Gather your information

Having everything you’ll need before you start your application means you won’t be searching for important information at the last minute. Use the checklist and worksheet on pages 3–4 as your guide, and don’t forget the deadlines on page 6.

Research your options

There may be different degree programs at several UC campuses that can help you achieve your career goal; knowing what they are will give you more options when you apply. Check which majors are open for the current term at http://admission.universityofcalifornia.edu/how-to-apply/check-majors.

Apply broadly

Applying to more than one UC can significantly increase your chances of being admitted to a campus that will enable you to fulfill your educational goals. We recommend applying to campuses that vary in their admit rates.

Pick an email address and stick with it

Campuses email applicants to request or clarify information; they often need a quick response. Provide an email address that you will check regularly. Update your spam filters to ensure that you receive all UC communications.

Apply at www.universityofcalifornia.edu/apply

Follow directions. Answers to common questions appear on every page. If you can’t find an answer, contact our help desk at ucinfo@applyUCsupport.net, or call (661) 336-5723 (outside the U.S.) or (800) 207-1710 (toll free in the U.S.).

Save your work. If you take a break from your application, sign out or click “Next” on any page to make sure your work is saved.

Review your summary. Look for any instance where the summary page says “not started” or “in progress.” If you didn’t intend to leave a question blank, click “Edit” to go back and fill it in.

Don’t forget to click “Submit your application for UC admission.” Your application won’t be sent to UC until you do. You will be taken to the receipt page, which shows your application ID. It’s a good idea to print this page.
Write your personal statement in advance

Think of your personal statement as your chance to tell us who you are and what’s important to you. What you tell us in your essays gives us the context to better understand the rest of the information you’ve provided in your application. Be open, be honest, be yourself.

A few tips. Read each prompt carefully and be sure to respond to all parts. Use specific, concrete examples to support the points you want to make. Take time to write, rewrite and edit. Show it to a teacher, counselor or friend for comments, but make sure the words you use are your own. Watch our personal statement video at http://ucal.us/statementvideo for more tips from admissions staff and students.

Finally, relax. This is one of many pieces of information we consider in reviewing your application. An admission decision will not be based on your personal statement alone.

Instructions

- Respond to both prompts, using a maximum of 1000 words total.
- You may allocate the word count as you wish, but we suggest each answer be no less than 250 words.

Prompt #1

Describe the world you come from — for example, your family, community or school — and tell us how your world has shaped your dreams and aspirations.

Prompt #2

Tell us about a personal quality, talent, accomplishment, contribution or experience that is important to you. What about this quality or accomplishment makes you proud and how does it relate to the person you are?

Following the personal statement, there’s a section called Additional Comments. Use this space — up to 550 words — to tell us anything you want us to know about you that you don’t have the opportunity to describe elsewhere in the application.

Application fees

Paying your application fees.

UC’s application fee is $80 per campus. You may pay online by credit card or be billed. Application fees are non-refundable.
Checklist

Academic records
You’ll need to enter courses and marks/grades from all schools you have attended, including any colleges/universities where you have taken courses. Don’t enter information from memory; misreporting your academic record can jeopardize your admission. If you took advanced math and/or a language other than your primary language of instruction in middle school, you must report how many semesters you completed.

Test scores
These include your ACT Plus Writing and/or SAT scores and any Advanced Placement, International Baccalaureate, TOEFL or IELTS exam scores. Know the test dates for upcoming exams you plan to take. Report external examination scores received and predicted scores (example, O- and A-levels) in the International External Exam section.

Estimated household income (optional)
If you receive financial support from parents or legal guardians, ask them for their estimated total household income in U.S. dollars.

Citizenship status
You must provide your country of citizenship (or "No Selection"), your immigration status and the type of visa (e.g., F-1) you hold or plan to hold.

Credit card
You’ll need the account number, expiration date, cardholder’s name and billing address.
# Activities and Awards Worksheet

In addition to your courses and marks/grades, we want to know about any honors you’ve received and how you spend your time outside of school. Use this worksheet to prepare concise descriptions of your most significant awards and activities. You may list up to five entries in each category, so think carefully about what you want to highlight. Also make sure to fully describe each item (up to 160 characters) for admissions offices to best understand your involvement.

## Extra coursework
List the courses you took during your secondary education, other than those approved for UC admission, that demonstrate a particular focus or interest (e.g., language immersion courses or nontransferable college courses).

After You Submit

Print your receipt

You’ll want to keep a record of your application ID number and a summary of your application for reference.

Watch for your application submission confirmation

As soon as you submit your application, you’ll receive an email confirming it has been successfully filed. If you do not receive this email, check your spam filter or contact the application help desk at ucinfo@applyUCsupport.net, or (661) 336-5723 (outside the U.S.) or (800) 207-1710 (toll free in the U.S.).

Order test score reports

Be sure to have the appropriate testing agency send your official results from the ACT, SAT or SAT Subject tests (optional) to UC. If you have a report sent to one campus, it will be shared with all the campuses to which you apply. You can confirm receipt of your test scores by logging back in to your application.

If you are admitted for the fall term, you must arrange to have official AP and IB exam scores sent to the campus admissions office no later than July 1.

Order final academic records

In the United States, the academic record is called a “transcript.” It may be called by another name, such as a leaving certificate, maturity certificate, bachillerato or baccalauréat in your country.

If you are admitted for the fall term, you must arrange to have final, official transcripts sent to the campus admissions office no later than July 1.

Note: Before admittance, you do not need to send preliminary transcripts unless requested by a campus.
Making Changes to Your Application

If you change your phone number, email or mailing address

Update your information at www.universityofcalifornia.edu/afterapply.

If your academic record changes

If you add or drop a course or earn a low mark in a course, you must send in your changes — by mail — to UC Application Center, P.O. Box 1432, Bakersfield, CA 93302, USA. Make sure to include your full name, date of birth and application ID.

If you enroll in a new school or college after applying

Notify the UC Application Center (address above) and provide the institution’s name and the courses you are taking or plan to take.

If you want to apply to an additional UC campus

Log in to your UC application at www.universityofcalifornia.edu/afterapply. You may add a campus only if it is still accepting applications.
