Welcome to the University of California, Santa Cruz. This beautiful campus is home to much more than redwoods, wildflowers, and incredible ocean views. For more than 50 years, UC Santa Cruz has been attracting people from all over the world who want to live, work, and learn on a campus known for impactful research, interdisciplinary scholarship, and a personalized learning experience. Our spectacular setting is integral to our success, as it inspires the best minds and offers endless opportunities for recreation and rejuvenation.

Whether you’re visiting from a neighboring county, or from another state or country, I’m glad you’ve made the time to experience this distinctive campus. Please use this brochure as a guide to help broaden your understanding of UC Santa Cruz and the Santa Cruz community. I’m sure you’ll see why we think UC Santa Cruz is a unique, special place to be.

Enjoy your visit!

George Blumenthal
Chancellor

RANKINGS

1ST nationally for Hispanic students (2014, BestColleges.com)
3RD in the world for research influence in 2017–18 Times Higher Education rankings, as measured by the average number of times our discoveries are cited by scholars (tied with Stanford University)
9TH in the nation in Film, Video, and Photographic Arts (2017, College Factual)
13TH in the nation for social mobility (2017, CollegeNET)
ONE of the top 50 Best Global Universities (U.S. News & World Report, 2017)
ONE of the greenest colleges and universities in the U.S. (2017, Sierra Club)

CUTTING-EDGE RESEARCH

UC Santa Cruz is home to the following research centers:
• UC Observatories/Lick Observatory
• UCSC Genomics Institute
• Center for Games and Playable Media
• Center for Agroecology and Sustainable Food Systems
• Institute of Geophysics and Planetary Physics
• Institute of Marine Sciences
• California Institute for Quantitative Biosciences
• Institute for the Biology of Stem Cells
• Institute for the Biology of Stem Cells
• Center for Information Technology Research in the Interest of Society
• Chicano/Latino Research Center
• NASA University Affiliated Research Center

Other research groups study areas such as the biology of RNA, adaptive optics, Charles Dickens, international economics, linguistics, and the arts.
Total enrollment for fall 2017: 19,457
17,577 undergraduates
1,880 graduate students

UNDERGRADUATES:
50.0 percent women;
49.3 percent men;
0.7 percent unknown/other

TRANSFER STUDENTS

Mean GPA: 3.3
PARKING
Visitors have several options for parking at UCSC. There are paystations and parking meters in a number of parking lots on campus, offering short-term parking (typically a two-hour limit, although some locations have one-hour limits). The cost is $2.50/hour. If you want to park for longer than a few hours, you can purchase a one-day visitor permit for $10. From 7 a.m. to 1 p.m., you can stop by the Main Entrance Kiosk to purchase your permit and obtain a campus map. From 1 to 5 p.m., the Kiosk dispenses information only, and permits and maps can be obtained at the TAPS Sales Office in Barn H. Visitors arriving weekdays after 5 p.m., or on weekends, will need to either park in lots without permit requirements or rely on paystations and meters. Campus parking maps (which list permit requirements and paystation/meter locations) are kept in an accessible location at the Main Entrance Kiosk for after-hours pickup. A campus parking map can also be downloaded at maps.ucsc.edu under the “Printable Maps” tab.

CAMPUS TOURS
Student-led campus tours are available by reservation all year, Monday–Friday. Reserve online: admissions.ucsc.edu/campustours.
Tours leave from the Cook House. You can view a virtual tour of UC Santa Cruz, complete with 360-degree panoramic views of campus, anytime: admissions.ucsc.edu/#virtualtour.

OUR DISTINCTIVE RESIDENTIAL COLLEGE SYSTEM
UC Santa Cruz combines the resources of a world-class public research university with a distinctive undergraduate experience characterized by our college system. Each college is a vibrant living/learning community supported by faculty and staff who provide academic support, organize student activities, and sponsor events that enhance the intellectual and social life of the campus. All undergraduate students, whether they live on campus or not, are affiliated with one of our 10 colleges.
The colleges are located throughout the campus: Cowell and Stevenson, Merrill and Crown, College Nine and College Ten, Kresge and Porter, and Rachel Carson and Oakes.
GETTING AROUND CAMPUS

Campus Transit shuttles circulate through the campus year-round to move students from class to class and to other destinations on campus. All routes are wheelchair accessible. The Campus Transit service is supported by the Student Transit Fee, so no fare is required to ride. (Please note that the shuttle service does not run during daytimes on weekends; service is modified or curtailed on holidays and does not run during campus closures.) Maps and schedules are available on the shuttles, at shuttle stops, and online at taps.ucsc.edu/buses-shuttles.

To view the locations of campus shuttles in real time, check slugroute.com.

The campus is also served by the Santa Cruz Metropolitan Transit District (“Metro”) buses. The current adult fare is $2.00, but buses are free to current UC Santa Cruz students with valid ID cards. Children under 46 inches tall ride free.

WHERE TO EAT ON CAMPUS

During the academic year, visitors are encouraged to eat in one of the college dining halls. Hours vary, but on weekdays, college dining halls are generally open about 7 a.m. to 7 p.m.

Other options (please note that some campus cafés are closed during the summer): Quarry Plaza (Ivéta Café, Bay Tree Express Store); Cowell College (Cowell Coffee Shop); Stevenson College (Stevenson Coffee House); Crown College (Banana Joe’s); Merrill College (Vivas Organic Mexican Food); Porter College (Bowls by Café Brasil); Kresge College (Owl’s Nest); Oakes College (Oakes Café); Rachel Carson College (College Eight Café); Colleges Nine/Ten (Terry Freitas Café); McHenry Library (Global Village Café by Amazon Juices); Academic Resources Center (Back Perch); University Center (Terra Fresca); Perk Coffee Bars at Baskin Engineering, Earth & Marine Sciences, and Physical Sciences Building; a variety of food trucks on campus.

dining.ucsc.edu
SELF-GUIDED TOURS

Feel free to use these self-guided walking tours to discover our spectacular campus. Wear comfortable shoes, and dress in layers for our variable coastal climate. If you are not taking the campus shuttle to the starting points, please stop by the kiosk at the Main Entrance and purchase a day parking pass (From 7 a.m. to 1 p.m. Monday through Friday. From 1 to 5 p.m., all permits must be purchased at the TAPS Sales Office located in the H Barn.)

If you miss anything on the tour, you can view our virtual tour online at any time: admissions.ucsc.edu/#virtualtour

East Campus Tour
(90–120 minutes)

Highlights: Cowell, Stevenson, Crown, and Merrill Colleges; Humanities/Social Sciences Complex; McHenry Library; Quarry Plaza; Bay Tree Bookstore; Student Union; East Field House (sports facility).

1. From the Main Entrance, drive up to the second stoplight. Turn left on Hagar Drive and drive up the hill, passing meadows and the East Remote Parking Lot. Turn right into the Parking Lot 103A for the East Field House 🟢. If you do not have a parking pass, park in one of the paystalls and purchase a permit at the paystation. Your walk starts here. The main physical education and recreation facilities are located here, including a fitness center, a gymnasia, dance and martial arts studios, an Olympic-sized swimming pool, and several playing fields and courts.

2. Turn right out of the parking lot and walk up Hagar Drive, watching for Steinhart Way, which will be on the left. Turn onto Steinhart Way, where you will go by Quarry Plaza 🟢 on your right. Turn immediately left again onto Hahn Road. In a short distance, you’ll come to Hahn Student Services, a large gray building on your right. It contains offices for Student Housing, Admissions, the Registrar, and Financial Aid.

3. Walk past the North Entry of Hahn (so labeled), turn left and walk along the west side of the building. At the end of the building, turn right, walk across the bridge, and veer right to McHenry Library 🟢. Note that toward the end of the walkway you cross over a path; you’ll use this path to return to Hahn. McHenry Library is five stories high and contains group study rooms, a laptop area, the Global Village Café, and “Dead Central,” UC Santa Cruz’s celebrated Grateful Dead Archive.

4. After you have seen the library, find the path under the bridge that you were just on. Follow it through the woods until you reach Hahn Road; turn left and head back up to Quarry Plaza 🟢. Cross the street and walk through the Plaza. You will see the Bay Tree Bookstore on your right and Café Ivéta on your left. The Bay Tree Bookstore offers books, computers and software, and an enormous selection of Slug memorabilia. The Bay Tree Building also houses the Ethnic Resource Centers and the Career Center.

5. Walk to the end of Quarry Plaza and climb the right-hand stairs. When you reach the top, you are facing McLaughlin Drive; Hagar Drive is just to your right. Cross McLaughlin at the crosswalk and take the stairs directly in front of you that lead uphill. Climb the hill; at the top, continue straight to the double flight of stairs. Pass straight through the residence hall courtyard to the parking area. Turn right and come to a sign for Crown College 🟢. Enter the plaza with the fountain. Follow signs to Banana Joe’s Café, then continue on through Merrill College 🟢, passing the Cultural Center at Merrill on your left. Veer right and walk through the Merrill quad, ending at the Gate House on your right. You will soon see a traffic circle with sculptures in it ahead on the left. As you stand and look at the circle, take the path on your right that descends down the hill. Take the steps a short way along that path on your left. At the fork, continue down the stairs to your left.

6. When you regain McLaughlin Drive, walk to your right and cross at the flashing light to the Humanities Lecture Hall. Walk down Cowell-Stevenson Road, passing the Humanities Complex immediately on your right. Proceed about another 150 yards down to a traffic circle with a stand of redwoods in its center. Bear right out of the traffic circle down a few stairs to the entry portico to Cowell College 🟢. Walk into Cowell College, cross the courtyard, and step to the railing for a great view. On a clear day, you’ll see the ocean from here.

7. To get to Stevenson College 🟢, retrace your steps back out through
the Cowell College entryway and take the sidewalk to the immediate right. Follow it down past the Eloise Pickard Smith Gallery and on to the entrance to Stevenson College. Enter Stevenson. Walk past the Stevenson Café and past the Event Center to another charming quad. Looking toward the ocean, exit the quad down a small set of steps and turn right on the road in front of Casa 9 and Casa 11. Proceed along that road, enjoying the meadow view to your left. Continue on until you pass between Apartment 3 (on the right) and the Cowell Provost House (on the left). At the main road, turn left and then in a short distance left again into the Lot 103A where you started.

**Central Campus Tour**

(45–75 minutes)

**Highlights:** Science Hill; Colleges Nine and Ten; Jack Baskin School of Engineering.

1. If you are touring during a weekday, stop at the Main Entrance Kiosk to purchase a daily parking permit. (Permits aren’t needed on weekends where you’ll be parking.) Go back out the Main Entrance and turn right onto Empire Grade; take the West Entrance into campus. Proceed up Heller Drive to the Core West Parking Structure, which will be on your right just shy of McLaughlin Drive. Turn right to enter the structure. You are entering the Parking Structure on the west side. Park and take note of what level you are on. On foot, exit through the corner stairs on the east side of the building. Leave the structure stairs at level 1 onto a paved footpath that skirts a small ravine. The footpath ends at Steinhart Way; cross at the crosswalk and find the sidewalk between two small parking areas. Take the five-step concrete staircase ahead of you. Immediately turn left and walk along the concrete corridor until you are under an overpass. To your right is Thimann Labs 8, which houses the Biology advising office; ahead off to the right is a courtyard with a well-known sea lion sculpture. Before that courtyard, take the set of stairs on the left. At the top, a curving path leads to Sinsheimer Labs, which houses the Molecular, Cell, and Developmental Biology Department.

2. With the curving entrance to your back, enter the brick plaza. On your left you will see the Science and Engineering Library. Turn to the right; Natural Sciences 2 is on your left, and the Natural Sciences Annex is on your right. Walk between these two buildings and descend the stairs.

3. At the bottom of the stairs, take an immediate left, walking under the futuristic “flying buttress” seismic retrofits of Natural Sciences 2. If the building is open, visit the Center for Adaptive Optics on your right to see its unusual open space plan. Past the Center for Adaptive Optics on the right is Earth and Marine Sciences, another building with an interesting lobby.

4. The Interdisciplinary Sciences Building, on your left, is home to Environmental Studies. Walk to the end of it, and turn left. After you pass the building, you will see a pedestrian bridge on your right. Cross the bridge and stay on the sidewalk to McLaughlin Drive. Walk to the right to the intersection with College Ten Road; cross the street. Take the footpath that climbs to your right. Now you are in the complex of Colleges Nine and Ten 7. To the north are the Colleges Nine and Ten Apartments and the International Living Center (ILC). Turn left at the sign for Terry Freitas Café. Climb the stairs, veer to the right, and continue uphill until you come to the University Center on your right. On the ground floor is the Colleges Nine and Ten Dining Commons. Upstairs is Terra Fresca, a lively restaurant open to faculty, staff, students, and visitors.

5. Continue past the University Center; ahead and to the left you will see Social Sciences 2. At the far end of the charming grassy meadow on your right, you’ll see Social Sciences 1. Turn left and walk in front of Social Sciences 2 to the traffic circle. Turn left again and descend College Ten Road back to McLaughlin. Turn right.
and stay on the sidewalk, crossing a bridge over the Moore Creek drainage. When the sidewalk ends, take the crosswalk across Red Hill Road, staying on the same side of McLaughlin; then follow the small footpath up a slight hill. Bear left at the fork in the footpath. On your right is the Communications Building, which houses our well-known Department of Film and Digital Media. Bear right at the next fork. Ahead of you is the Engineering 2 (E2) building on the right, and to the left Baskin Engineering. Bear left around the traffic circle and cross the street to the Baskin Auditorium of the Jack Baskin School of Engineering. Baskin Engineering has undergraduate laboratories on the first floor, and houses Electrical Engineering, Applied Mathematics and Statistics, and Baskin School Advising. You can read about undergraduate and graduate research on posters displayed on E2’s balcony overlooking the plaza, or visit the departments of Computer Engineering, Computer Science, and Economics.

6. After visiting the Engineering complex, return to McLaughlin Drive by going down the short roadway. Facing you is the Physical Sciences Building, home to Chemistry, Microbiology and Environmental Toxicology, and Biomolecular Engineering. To the left of this building is the Biomedical Research Building. Cross McLaughlin Drive at the crosswalk and turn right. Within a few minutes you will see the Core West Parking Structure on your left.

West Campus Tour
(60–75 minutes)

Highlights: Oakes College; Rachel Carson College; Porter College; Kresge College; Theater Arts Center; Elena Baskin Visual Arts Center; Music Center.

1. Drive up Empire Grade and take the West Entrance to campus. Drive approximately one-half mile up Heller Drive and turn right on Meyer Drive. Turn left at the next opportunity (Kerr Road), and make an immediate right into Parking Lot 126. If you do not have a parking pass, park in one of the paystalls and purchase a permit at the paystation. When you get out of your car, stand in the lot so that you are facing downhill and see the Music Center (a low, sand-colored building) in front of you. On your left is the Digital Arts Research Center, which provides studio space and cutting-edge digital arts facilities and houses the graduate program in Digital Arts and New Media (DANM). Go back to Kerr Road, where you entered the parking lot, and turn left. Cross Meyer Drive and stay on the paved path; you will have the choice of veering right toward a long flight of steps going up the hill, or veering left into the woods; take the path into the forest.

2. Walk five minutes through a grove of trees to Oakes College. Enter the Oakes quad by veering left after you leave the woods. Cross the grassy quad, where classrooms and offices are on your left, and descend the stairs at the end of the yard. Turn right and skirt the Oakes Café. Turn right again at the end of the building and then climb the stairs at the end of the building to return to the yard. Retrace your steps to the entrance of Oakes College. As you exit from Oakes, follow the roadway, which veers left after the traffic circle. Turn right just after you pass Building 6 (also on your right), and walk between the Rachel Carson College dorms. Take the second set of stairs to your right, cross a small quad, and continue up several staircases to the arch. When you reach the top, catch your breath by stopping and turning 180 degrees to see the ocean view.

3. Follow College Eight Road out to Heller Drive. Cross at the crosswalk and continue up the path. The Porter Wave sculpture is to your left. Continue along the footpath until you see the restrooms in the Porter Academic Building. Here you can enter the southwest corner of the Porter College courtyard, where you will find the Koi Pond. Upstairs is the Mary Porter Sesnon Art Gallery. Turn left after the Koi Pond to exit the courtyard, and then turn right. Walk between the two residence halls of Porter College, noting the “Cosmic Maypole” in the Porter quad and the many murals reflecting Porter’s creative and artistic traditions, plus its large-scale chess board (chess pieces may be borrowed from the
Porter Activities Office). Porter College is home to the popular Transfer Community, a living/learning community for transfer students.

4. Continue across Porter-Kresge Road and walk between the Porter-Kresge apartments. At the end of the apartment complex, turn left to get on the roadway, and then turn right. Walk past Parking Lot 147 on the right and Kresge Gardens on the left; look right for the Kresge College sign. The entrance to Kresge is on your right. Enter Kresge, following the climbing path with apartments 111–214 on your left. Keep climbing, going to the right of a small plaza, past Classroom 319 and Classroom 327. You’ll be walking around the Classroom 317/319 Building and up some wide, zig-zagging steps that require some caution. Walk through the long corridor of Bauhaus-style dorms. When you reach the final plaza, turn right down steep stairs, entering the woods. Cross the bridge back to Heller Drive.

5. Use the crosswalk to cross Heller and then continue down McLaughlin Drive, keeping the Core West Parking Structure on your right. Turn right at Steinhart and follow the sidewalk. Stay on Steinhart until you come to Kerr Road; turn right onto the stairs just past Kerr Road. At the bottom of the stairs you will be in the Kerr Hall traffic circle. Follow it around to turn left on Kerr Road.

6. Soon you will come to a vista where, on a cloudless day, Monterey Bay sparkles below you. To your right is the Theater Arts Complex where you can see the Mainstage, Media Theater, and other facilities. To your left is the Elena Baskin Visual Arts Center. The center includes facilities for drawing, painting, installations, photography, casting, sculptural construction, and printmaking. Beyond the Arts Center is a spectacular view of the ocean. Continue walking down Kerr Road to Parking Lot 126, which is where you parked.

7. As time permits, go to the east end of the parking lot and explore the Music Center. Housing the Music Department, the center includes a recital hall, an ensemble rehearsal hall, a performance studio, electronic music studios, a gamelan studio, classrooms, and practice rooms.

Accessibility
If you have a disability-related need to park close to buildings, you have several options at UCSC:

- You can park in accessible parking spaces (also known as “disabled” or “handicap” parking spaces) if you have a DMV placard or plate.
- You can park in Medical spaces if you have a UCSC Medical parking permit. Medical spaces were created to accommodate those who need to park close because of disability-related reasons, but don’t need the extra width provided by accessible parking spaces. Medical permits are obtained by providing medical documentation to either the Disability Resource Center (for students) or to the TAPS Sales Office (for faculty or staff).
- If you have a DMV placard, you can park in metered spaces without paying the meter fee, or in 10-, 15-, or 20-minute spaces for longer than the posted time.

Please see ada.ucsc.edu for more information on accessibility.
University Activities and Events

UC Santa Cruz is a lively hub of learning, culture, and enrichment activities. The campus serves its students, faculty, staff, and the public by offering numerous events and opportunities for learning that are free and open to the public.

For a full, searchable schedule of events, go to calendar.ucsc.edu. Or call the ticket office at 831.459.2159. | All numbers refer to the campus maps on pages 10 and 11 (center spread). For off-campus facilities, see maps on pages 18–19.

RESEARCH AND INSTRUCTIONAL FACILITIES

The UCSC Arboretum includes plants from Australia, New Zealand, and South Africa, as well as California natives, cactus and succulents, and a world conifer collection. The Arboretum also hosts lectures and workshops and a free garden tour (with paid admission) on the first Saturday of every month. Empire Grade, one-half mile west of the main entrance to the campus. Open daily 9 a.m.–5 p.m., except Thanksgiving Day and December 25–28. Admission is $5 for adults, $2 for children 6 to 17 years old, free for children under 6. Free to UCSC students, members of Friends of the Arboretum, and those only visiting Norrie’s Gift & Garden Shop.

The UCSC Greenhouses instructional facility, located on the roof of Thimann Labs, is open to the public. It houses a botanical collection of more than 700 species of plants, with emphasis on ethnobotany, systematic botany, evolution, and ecology. Open Monday–Friday, 9 a.m.–3 p.m.
greenhouse.ucsc.edu

The 30-acre Farm, a project of the Center for Agroecology & Sustainable Food Systems, is located on the hilly slopes to the west of the main entrance road. Fruit trees, vegetables, flowers, herbs, berries, and other crops are used to study organic methods of sustainable agriculture. Similar work is done at the two-acre Alan Chadwick Garden just below Merrill College.

Produce is sold at the main campus entrance late spring through early fall on Tuesdays and Fridays, 12–6 p.m. Both facilities are open year-round 8 a.m.–6 p.m. and welcome visitors. Free docent-led tours available the first Sunday of the month, April–November.
casfs.ucsc.edu

Lick Observatory, a facility of UC Observatories/Lick Observatory, is located atop Mt. Hamilton near San Jose. The Observatory produces a popular summer concert and lecture series, Music of the Spheres, and a Summer Visitors Program.

The station gallery is open 12 noon–5 p.m., Thursday–Sunday.
ucolick.org/public

Seymour Marine Discovery Center and Joseph M. Long Marine Laboratory, the public outreach arm and major research facility for UC Santa Cruz’s Institute of Marine Sciences, are located at the Coastal Science Campus (see UC Santa Cruz Off-Campus Locations map on page 18). Visitors can enjoy coastal walking trails and learn about marine life in Monterey Bay and the Pacific through aquaria, exhibits, and touch tanks.

Admission is $8 for adults, $6 for senior citizens, students, and children ages 3–16, and free for children age 2 and under. Docent-led tours depart at 11 a.m. (family friendly), 1, 2, and 3 p.m. every day except Monday. The center is open Tuesday–Sunday, 10 a.m.–5 p.m.; call 831.459.3800 for information.
seymourcenter.ucsc.edu

ART GALLERIES

Art is everywhere on campus, from the murals and sculptures in our buildings, to the student and faculty art displayed in the cafés and galleries, to the studios at the Elena Baskin Visual Arts Center. There are two primary art galleries on campus: the Mary Porter Sesnon Art Gallery at Porter College, and the Eloise Pickard Smith Gallery at Cowell College. Open during the academic year, both schedule exhibitions of work by contemporary artists and important collections of historical interest.

The Art Department also sponsors Open Studios to display student work.
art.ucsc.edu/sesnon, cowell.ucsc.edu/smith-gallery
MUSIC
Musical groups and performances flourish on campus, and UCSC is home to many talented musicians playing diverse forms of music. On any given weekend during the academic year, you may hear concerts by UCSC’s student ensembles, recitals by senior student musicians or faculty members, or professional musicians who have been invited to campus. Concerts are often free or low-cost admission.
Examples of recent musical events at UC Santa Cruz include Zoot Suit by Luis Valdez and Mozart’s opera The Magic Flute.

THEATER
UC Santa Cruz presents a lively program of theater throughout the academic year, including a diverse array of student productions and professional theater.

FILM
With its celebrated Film and Digital Media Department, UCSC is a creative center for filmmaking and film studies. Join us on campus for film screenings that are free and open to the public, including screenings of student works, film festivals, and screenings/lectures.
Recent film screenings and related events at UCSC have included Cine International Film Series and a screening of The Serengeti Rules.

LECTURES, READINGS, AND COLLOQUIA
Opportunities abound on campus for learning about and discussing our world and the issues of our time. Recent events have included the 2018 Kraw Lecture: “Data Security, Data Privacy, and You,” “Creative Entrepreneurship,” and “Blazars: Nature’s Particle Accelerators,” featuring Dr. Jedidah Isler.

SPORTS
In addition to numerous club sports and intramural teams, UCSC has men’s and women’s NCAA Division III teams in basketball, cross-country, soccer, swimming and diving, tennis, and volleyball, plus women’s golf. Join us on campus for a home game, conference, or meet. A complete schedule is available at goslugs.com.

NATURE
With the university campus covering 2,000 acres of hilly terrain, there is ample opportunity for recreational hikers to enjoy the scenery, including the UCSC Campus Natural Reserve, 400 acres of protected natural land on campus.
The campus also has miles of paved and unpaved bicycle trails through beautiful scenery.
A PDF of an Upper Campus Map showing pedestrian and bike trails is available online at maps.ucsc.edu.

Annual Event: César Chávez Convocation
The annual César Chávez Convocation is presented every spring by UC Santa Cruz to celebrate the memory of civil rights leader César Chávez. In 2018, the event featured a panel of key activists from the 1968 East L.A. Walkouts.
elcentro.ucsc.edu/events/annual-events/cesar-chavez-c.html

Annual Event: Martin Luther King Jr. Convocation
The annual Martin Luther King Jr. Memorial Convocation is presented every winter by UC Santa Cruz to celebrate the memory and ideals of the civil rights leader. Every year, distinguished leaders are invited to Santa Cruz to give a free public presentation. The 2018 keynote speaker was Dr. Kimberlé Crenshaw, leading authority on civil rights, black feminist legal theory, and race, racism, and the law.

Santa Cruz Activities

On California’s Central Coast, 75 miles south of San Francisco and 30 miles southwest of San Jose, Santa Cruz is a medium-size (population 63,000) town with its own vibrant personality. Since UC Santa Cruz was established here in 1965 on the site of the former Cowell Ranch, the university and the town have influenced each other to create its current diverse population of artisans, scientists and scholars, outdoor enthusiasts, students, and computer industry professionals.

Enjoying a moderate climate with 300 sunny days a year and low humidity, Santa Cruz is also a popular vacation destination. Travelers come from all over the world to enjoy the county’s 29 miles of beaches, ringed by mountains covered with redwood trees, picturesque seaside vistas, and the laid-back ambience of the town that has been nicknamed “Surf City.”

SANTA CRUZ AREA ATTRACTIONS

Centered on Pacific Avenue, Downtown Santa Cruz features shopping, restaurants, movie theaters, and cultural activities.

downtownsantacruz.com

The Santa Cruz Farmers’ Market offers fresh, local produce, flowers, baked goods, and specialty food items.

Downtown—Lincoln and Cedar Streets, Wednesdays, 1–6 p.m. April through October, 1–5 p.m. November–March; Westside—corner of Western Drive and Mission Street, Saturdays, 9 a.m.–1 p.m., year-round
santacruzfarmersmarket.org

EVENT Downtown Santa Cruz Antique Street Faire

Second Sunday of the month, 8 a.m.–6 p.m. Lincoln Street between Pacific and Cedar

Vendors offer an eclectic mix of antiques and unique items, from vintage clothing to collectibles and more. Look for that hard-to-find item or see what local merchants have to offer.

ACCOMMODATIONS

If you’re planning on staying in the area overnight, Santa Cruz has a wide variety of accommodations. Summer is peak season in Santa Cruz, so we recommend you book early.

For more information, search santacruz.org/places-to-stay
DINING
Santa Cruz has a range of dining options, from inexpensive coffeehouses to Zagat-rated fine dining, featuring cuisines from all over the world. For more information, search santacruz.org/food-drink/restaurants

AROUND SANTA CRUZ
Santa Cruz County is home to many beachside, mountain, and agricultural communities, offering additional opportunities for sightseeing, sports and recreation, and cultural excursions. With their unique histories and populations, these towns create a diverse and fascinating cultural landscape for the area.

CAPITOLA
Just south of Santa Cruz on Highway 1 is Capitola Village, a seaside town of about 10,000 people featuring beaches, shops and restaurants, and a famous view of brightly painted houses by the seashore.

EVENT Capitola Beach Festival
September 29–30, 2018
Sand castle building, rowboat contests, a horseshoe tournament, and children’s arts events. capitolavillage.com/event/capitola-beach-festival/

EVENT Capitola Twilight Concerts
June–July, 2019, Wednesdays 6–8 p.m.
Esplanade Park, Capitola
Come and listen to an array of musical styles from jazz, Western, Latin, swing, and orchestra, to good old rock and roll. Bring a picnic supper, chairs to sit on, and a jacket for cool summer nights. capitolavillage.com/event/twilight-concerts/

WATSONVILLE
If you drive further south on Highway 1, you’ll come to the city of Watsonville, a farming town with a diverse population including a large community of Chicano/Latinos, as well as Japanese, Caucasian, Portuguese, and Filipino residents. Watsonville weather is sunny and mild, helping its crops of fruits and vegetables to flourish.

EVENT Santa Cruz County Fair
September, 2019
Santa Cruz County Fairgrounds in Watsonville
An old-fashioned family event celebrating the rich agricultural history of Santa Cruz County and featuring shows, contests, animals, rides, delicious local food, and more. santacruzcountyfair.com 831.724.5671

SCOTTS VALLEY
Just north of Santa Cruz on Highway 17 is the city of Scotts Valley, population 11,928. Surrounded by state parks and redwood trees, Scotts Valley is a picturesque community with a high-technology culture.

EVENT Scotts Valley Art, Wine & Beer Festival
August, 2019
Skypark, 361 Kings Village Road, Scotts Valley
Come enjoy fine art, wine and beer tasting, great food, and live entertainment in an open park setting. More than 150 artists from around California and surrounding states will be displaying their juried art. svartfestival.com

MONTEREY
The renowned Monterey Bay Aquarium, which was established by UCSC alumna Julie Packard, is located in Monterey, about an hour’s drive south of Santa Cruz. This beautiful aquarium’s mission is to inspire conservation of the oceans.

886 Cannery Row, Monterey
Open every day except December 25, regular hours: 9:30 a.m.–6 p.m.
montereybayaquarium.org 831.648.4800
