Welcome

Welcome to the University of California, Santa Cruz. For nearly 50 years, UCSC has attracted people from all over the world who want to live, work, and learn on a campus known for impactful research, interdisciplinary scholarship, and a personalized learning experience.

Many of our greatest research achievements, from assembling the first map of the human genome to the discovery of new planets, are the result of bold thinking and a willingness to ask daring questions. Our original thinkers work across disciplines to make the world a better place.

Our spectacular setting is integral to our success, as it inspires the best minds and offers endless opportunities for recreation and rejuvenation.

Whether you’re visiting from a neighboring county, another state, or abroad, I’m glad you’ve made the time to experience this distinctive campus. I’m sure you’ll see why we think UC Santa Cruz is a uniquely wonderful place to be.

Enjoy your visit!

George Blumenthal
Chancellor

RANKINGS

1ST nationally for publication impact in the computer engineering Ph.D. program (2010, National Research Council)

2ND in the world for research influence in 2013–2014 Times Higher Education rankings, as measured by the average number of times our discoveries are cited by scholars

2ND in the U.S. and 11th overall among universities under 50 years old (2014, Times Higher Education)

7TH worldwide in international finance (2010, Research Papers in Economics)

19TH nationally among large-sized universities for alumni participation in the Peace Corps (2014, Peace Corps)

ONE of the “82 top best-value public universities in the U.S.” (2014, Princeton Review)

ONE of the greenest colleges and universities in the U.S. (2013, Princeton Review)

CUTTING-EDGE RESEARCH

UC Santa Cruz is home to the following research centers:
• UC Observatories/Lick Observatory
• Center for Biomolecular Science and Engineering
• Center for Agroecology and Sustainable Food Systems
• Institute of Geophysics and Planetary Physics
• Santa Cruz Institute for Particle Physics
• Institute of Marine Sciences
• California Institute for Quantitative Biosciences
• Center for Information Technology Research in the Interest of Society
• Chicano/Latino Research Center
• NASA University Affiliated Research Center

Other research groups study areas such as the biology of RNA, adaptive optics, Charles Dickens, computer games and playable media, international economics, linguistics, and the works of filmmaker Satyajit Ray.
STUDENT PROFILE

Total enrollment for fall 2013: 17,203
15,695 undergraduates
1,508 graduate students

UNDERGRADUATES:
52.8 percent women;
46.7 percent men;
0.5 unknown

Mean GPA: 3.41
PARKING

Visitors have several options for parking at UCSC. There are paystations and parking meters in a number of parking lots on campus, offering short-term parking (typically a two-hour limit, although some locations have one-hour limits). The cost is $1.50/hour.

If you want to park for longer than a few hours, you can purchase a one-day visitor permit for $6. From 7 a.m. to 1 p.m., you can stop by the Main Entrance Kiosk to purchase your permit and obtain a campus map. From 1 to 5 p.m., the Kiosk dispenses information only, and permits and maps can be obtained at the TAPS Sales Office in Barn H.

Visitors arriving weekdays after 5 p.m., or on weekends, will need to either park in lots without permit requirements or rely on paystations and meters. Campus parking maps (which list permit requirements and paystation/meter locations) are kept in an accessible location at the Main Entrance Kiosk for after-hours pickup. A campus parking map can also be downloaded at maps.ucsc.edu under the “Printable Maps” tab.

CAMPUSS TOURS

Student-led campus tours are available by reservation all year, Monday–Friday. Reserve online: admissions.ucsc.edu/campustours. Tours leave from the Cook House.

You can view a virtual tour of UC Santa Cruz, complete with 360-degree panoramic views of campus, any time: youvisit.com/ucsc

OUR DISTINCTIVE RESIDENTIAL COLLEGE SYSTEM

UC Santa Cruz combines the resources of a world-class public research university with a distinctive undergraduate experience characterized by our college system. Each college is a vibrant living/learning community supported by faculty and staff who provide academic support, organize student activities, and sponsor events that enhance the intellectual and social life of the campus. All undergraduate students, whether they live on campus or not, are affiliated with one of our 10 colleges.

The colleges are located throughout the campus: Cowell and Stevenson, Merrill and Crown, College Nine and College Ten, Kresge and Porter, and College Eight and Oakes.
WHERE TO EAT ON CAMPUS

During the academic year, visitors are encouraged to eat in one of the college dining halls. Hours vary, but on weekdays, college dining halls are generally open about 7 a.m. to 7 p.m.

Other options: Quarry Plaza (Joe’s Pizza and Subs, Bay Tree Express Store); Cowell College (Cowell Coffee Shop); Stevenson College (Stevenson Coffee House); Crown College (Banana Joe’s); Porter College (Porter Slug Grill and Café); Kresge College (Owl’s Nest); Oakes College (Oakes Café); College Eight (College Eight Café); Colleges Nine/Ten (Terry Freitas Café); McHenry Library (Global Village Café); Academic Resources Center (Back Perch); University Center (Terra Fresca, 11:30 a.m. to 2 p.m.); Baskin Engineering; Earth & Marine Sciences; Physical Sciences Building.

GETTING AROUND CAMPUS

Campus Transit shuttles circulate through the campus, day and night, year-round to move students from class to class and to other destinations on campus. All routes are wheelchair accessible. The Campus Transit service is supported by the Student Transit Fee, so no fare is required to ride. (Please note that the shuttle service does not run during daytimes on weekends, campus closures, or holidays.)

Campus Transit operates two routes during weekdays and evenings (the Loop and Upper Campus routes) and an additional two during evening hours (the East and West Night Core routes). In addition, there is a Night Owl Service between campus and downtown Santa Cruz available for students, faculty, and staff only. In general, shuttles run from 7:30 a.m. to 11 p.m. Monday through Friday and from 6 to 11 p.m. on weekends. Maps and schedules are available on the shuttles, at shuttle stops, and online at taps.ucsc.edu/buses-shuttles/index.html.

The campus is also served by the Santa Cruz Metropolitan Transit District (“Metro”) buses. The current adult fare is $2.00, but buses are free to current UC Santa Cruz students with valid ID cards. Children under 46 inches tall ride free.
SELF-GUIDED TOURS

Feel free to use these self-guided walking tours to discover our spectacular campus. Wear comfortable shoes, as this will help you navigate our campus terrain. Also, we recommend you dress in layers for our variable coastal climate. If you are not taking the campus shuttle to the starting points, please stop by the kiosk at the Main Entrance and purchase a day parking pass (7 a.m. to 1 p.m., Monday through Friday. From 1 to 5 p.m., all permits must be purchased at the TAPS Sales Office located in the H Barn).

If you miss anything on the tour, you can view our new virtual tour online at any time: youvisit.com/ucsc

East Campus Tour

(90–120 minutes)

Highlights: Cowell, Stevenson, Crown, and Merrill Colleges; Humanities/ Social Sciences Complex; McHenry Library; Quarry Plaza; East Field House (sports facility).

1. From the Main Entrance drive up to the second stoplight. Turn left on Hagar Drive, and drive up the hill, passing meadows and the East Remote Parking Lot. Turn right into the parking lot for the East Field House. Your walk starts here. The main physical education and recreation facilities are located here, including a fitness center, a gymnasium, dance and martial arts studios, an Olympic-sized swimming pool, and several playing fields and courts.

2. Turn right out of the parking lot and walk up Hagar Drive, watching for Steinhart Way, which will be on the left. Turn onto Steinhart Way, where you will go past Quarry Plaza on your right. Turn immediately left again onto Hahn Road. In a short distance, you’ll come to Hahn Student Services, a large gray building on your right. It contains offices for Student Housing, Admissions, the Registrar, and Financial Aid.

3. Walk past the North Entry of Hahn (so labeled), turn left and walk along the west side of the building. At the end of the building, turn right, walk across the bridge, and follow signs to McHenry Library. Note that toward the end of the bridge you cross over a path; you’ll use this path to return to Hahn. McHenry Library was expanded and renovated in 2011 to create a new, 210,000-square-foot library for the 21st century. The building is five stories high and contains group study rooms, a laptop area, the Global Village Café, and “Dead Central,” UC Santa Cruz’s celebrated Grateful Dead Archive.

4. After you have seen the library, find the path under the bridge that you were just on. Follow it through the woods until you reach Hahn Road; turn left and head back up to Quarry Plaza. Cross the street and walk through the Plaza. You will see the Bay Tree Bookstore on your right and the Student Union on your left. The Bay Tree Bookstore offers books, computers and software, and an enormous selection of Slug memorabilia. As you continue through the Plaza, note Joe’s Pizza restaurant and the Graduate Student Commons above it. The Bay Tree Building on your right also houses the Ethnic Resource Centers and the Career Center.

5. Walk to the end of Quarry Plaza and climb the right-hand stairs. When you reach the top, you are facing McLaughlin Drive; Hagar Drive is just to your right. Cross McLaughlin at the crosswalk and take the stairs directly in front of you which lead uphill. Climb the hill; at the top, continue straight to the double flight of stairs. Pass straight through the residence hall courtyard to the parking area. Turn right and come to a sign for Crown College. Enter the plaza with the fountain. Follow signs to Banana Joe’s Café, then continue on through Merrill College, passing the Merrill Cultural Center on your left. Veer right and walk through the Merrill quad, ending at the Gate House on your right. You will soon see a traffic circle with sculptures in it ahead on the left. As you stand and look at the circle, take the path on your right that descends down the hill. Take the steps a short way along that path on your left. At the fork, continue down the stairs to your left.

6. When you regain McLaughlin Drive, walk to your right and cross at the flashing light to the Humanities Lecture Hall. Walk down Cowell-Stevenson Road, passing the Humanities Complex immediately on your right. Proceed about another 150 yards down to a traffic circle with a stand of redwoods in its center. Bear right out of the traffic circle down a few stairs to the entry portico to Cowell College. Walk into Cowell College, cross the courtyard, and step to the railing for a great view. On a clear day, you’ll see the ocean from here.
7. To get to Stevenson College, retrace your steps back out through the Cowell College entryway and take the sidewalk to the immediate right. Follow it down past the Eloise Pickard Smith Gallery and on to the entrance to Stevenson College. Enter Stevenson. Walk past the Stevenson Café and past the Event Center to another charming quad. Looking toward the ocean, exit the quad down a small set of steps and turn right on the road in front of Casa 9 and Casa 11. Proceed along that road enjoying the meadow view to your left. Continue on until you pass between Apartment 3 (on the right) and the Cowell Provost House (on the left). At the main road, turn left and then in a short distance left again into the parking lot where you started.

Central Campus Tour
(45-75 minutes)

Highlights: Science Hill; Colleges Nine and Ten; Jack Baskin School of Engineering.

1. Drive up Empire Grade and take the West Entrance. Proceed up Heller Drive to the Core West Parking Structure, which will be on your right just shy of McLaughlin Drive. Turn right to enter the structure. You are entering the Parking Structure on the west side. Park and take note of what level you are on. On foot, exit through the corner stairs on the east side of the building. Leave the structure stairs at level 1 onto a paved footpath that skirts a small ravine. The footpath ends at Steinhart Way; cross at the crosswalk and find the sidewalk between two small parking areas. Take the five-step concrete staircase ahead of you. Immediately turn left and walk along the concrete corridor until you are under an overpass. To your right is Thimann Labs, which houses the Biology advising office; ahead off to the right is a courtyard with a well-known sea lion sculpture. Before that courtyard, take the set of stairs on the left. At the top, a curving path leads to Sinsheimer Labs, which houses the Molecular, Cell, and Developmental Biology Department.

2. With the curving entrance to your back, enter the brick plaza. On your left you will see the Science and Engineering Library. Turn to the right; Natural Sciences 2 is on your left, and the Natural Sciences Annex is on your right. Walk between these two buildings and descend the stairs.

3. At the bottom of the stairs, take an immediate left, walking under the futuristic “flying buttress” retrofits of Natural Sciences 2. If the building is open, visit the Center for Adaptive Optics on your right to see its unusual open space plan. Past the Center for Adaptive Optics on the right is Earth and Marine Sciences, another building with an interesting lobby.

4. The Interdisciplinary Sciences Building, on your left, is home to Environmental Studies. Walk to the end of it, and turn left. After you pass the building, you will see a pedestrian bridge on your right. Cross the bridge and stay on the sidewalk to McLaughlin Drive. Walk to the right to the intersection with College Ten Road; cross the street. Take the footpath that climbs to your right. Now you are in the complex of College Nine and College Ten. To the north are the Colleges Nine and Ten Apartments and the International Living Center (ILC). Turn left at the sign for Terry Freitas Café. Climb the stairs, veer to the right, and continue uphill until you come to the University Center on your right. On the ground floor is the College Nine/Ten Dining Commons. Upstairs is Terra Fresca, a lively restaurant open to faculty, staff, students, and visitors.

5. Continue past the University Center; ahead and to the left you will see Social Sciences 2. At the far end of the charming grassy meadow on your right, you’ll see Social Sciences 1. Turn left and walk in front of Social Sciences 2 to the traffic circle. Turn left again and descend College Ten Road back to McLaughlin. Turn right
and stay on the sidewalk, crossing a bridge over the Moore Creek drainage. When the sidewalk ends, take the crosswalk across Red Hill Road, staying on the same side of McLaughlin; then follow the small footpath up a slight hill. Bear left at the fork in the footpath. On your right is the Communications Building, which houses the fabled Department of Film and Digital Media. Bear right at the next fork. Ahead of you is the Engineering 2 (E2) building on the right, and to the left Baskin Engineering. Bear left around the traffic circle and cross the street to the Baskin Engineering 2 (E2) building on the footpath up a slight hill. Bear left at the next fork in the footpath. Ahead of you is the Film and Digital Media. Bear right at the next fork, and to the left Baskin Engineering.

5. After visiting the Engineering complex, return to McLaughlin Drive by going down the short roadway. Facing you is the Physical Sciences Building, home to Chemistry, Microbiology and Environmental Toxicology, and Biomolecular Engineering. To the left of this building is the new Biomedical Research Building. Cross McLaughlin Drive at the crosswalk and turn right. Within a few minutes you will see the Core West Parking Structure on your left.

West Campus Tour

(60-75 minutes)

Highlights: Oakes College; College Eight; Porter College; Kresge College; Theater Arts Center; Elena Baskin Visual Arts Center; Music Center.

1. Drive up Empire Grade and take the West Entrance to campus. Drive approximately one-half mile up Heller Drive and turn right on Meyer Drive. Turn left at the next opportunity (Kerr Road), and make an immediate right into the parking lot. If you do not have a parking pass, park in one of the paystalls and purchase a permit at the paystation. When you get out of your car, stand in the lot so that you are facing downhill and see the Music Center (a low, sand-colored building) in front of you. On your left is the Digital Arts Research Center, which provides studio space and cutting-edge digital arts facilities and houses the graduate program in Digital Arts and New Media (DANM). Go back to Kerr Road, where you entered the parking lot, and turn left. Cross Meyer Drive and stay on the paved path; you will have the choice of veering right towards a long flight of steps going up the hill, or veering left into the woods; take the path into the forest.

2. Walk five minutes through a grove of trees to Oakes College. Enter the Oakes quad by veering left after you leave the woods. Cross the grassy quad, where classrooms and offices are on your left, and descend the stairs at the end of the yard. Turn right and skirt the Oakes Café. Turn right again at the end of the building and then climb the stairs at the end of the building to return to the yard. Retrace your steps to the entrance of Oakes College. As you exit from Oakes, follow the roadway, which veers left after the traffic circle. Turn right just after you pass Building 6 (also on your right), and walk between the College Eight dorms. Take the second set of stairs to your right, cross a small quad, and continue up several staircases to the arch. When you reach the top, catch your breath by stopping and turning 180 degrees to see the ocean view.

3. Follow College Eight Road out to Heller Drive. Cross at the crosswalk and continue up the path. The Porter Wave sculpture is to your left. Continue along the footpath until you see the restrooms in the Porter Academic Building. Here you can enter the southwest corner of the Porter College courtyard, where you will find the Koi Pond. Upstairs is the Mary Porter Sesnon Art Gallery. Turn left after the Koi Pond to exit the courtyard, and then turn right. Walk between the two residence halls of Porter College, noting the totem pole in the Porter quad. Porter College is home to the popular Transfer Community, a living/learning community for transfer students.
4. Continue across Porter-Kresge Road and walk between the Porter-Kresge apartments. At the end of the apartment complex, turn left to get on the roadway, and then turn right. Walk past a large parking lot on the left and Kresge Gardens on the left as well, until you see a sign for Kresge College. The entrance to Kresge is on your right. Enter Kresge, following the climbing path with apartments 111-214 on your left. Keep climbing, going to the right of a small plaza, past Classroom 319 and Classroom 327. You’ll be walking around the Classroom 317/319 Building and up some zig-zag, wide steps that require some caution. Walk the long corridor of Bauhaus-style dorms. When you reach the final plaza, turn right down deep stairs, entering the woods. Cross the bridge back to Heller Drive.

5. Use the crosswalk to cross Heller and then continue down McLaughlin Drive, keeping the Parking Structure on your right. Turn right at Steinhardt and follow the sidewalk. Stay on Steinhardt until you come to Kerr Road; turn right onto the stairs just past Kerr Road. At the bottom of the stairs you will be in the Kerr Hall traffic circle. Follow it around to turn left on Kerr Road.

6. Soon you will come to a vista where, on a cloudless day, Monterey Bay sparkles below you. To your right is the Theater Arts Complex where you can see the Main-stage, Media Theater, and other facilities. To your left is the Elena Baskin Visual Arts Center. The center includes facilities for drawing, painting, installations, photography, casting, sculptural construction, and printmaking. Beyond the Arts Center is the spectacular view of the ocean. Continue walking down Kerr Road to the parking lot that contains your car.

7. As time permits, go to the east end of the parking lot and explore the Music Center. Housing the Music Department, the center includes a recital hall, an ensemble rehearsal hall, a performance studio, electronic music studios, a gamelan studio, classrooms, and practice rooms.

### Accessibility

If you have a disability-related need to park close to buildings, you have several options at UCSC:

- You can park in accessible parking spaces (also known as “disabled” or “handicap” parking spaces) if you have a DMV placard or plate.
- You can park in Medical spaces if you have a UCSC Medical parking permit. Medical spaces were created to accommodate those who need to park close due to disability-related reasons, but don’t need the extra width provided by accessible parking spaces. Medical permits are obtained by providing medical documentation to either the Disability Resource Center (for students) or to the TAPS Sales Office (for faculty or staff).
- You can park in metered spaces without paying the meter fee, or in 10-, 15-, or 20-minute spaces for longer than the posted time.

Please see ada.ucsc.edu for more information on accessibility, including elevators on campus and a wheelchair user’s guide.
The following are just a few of the many opportunities available to the public. For a full, searchable schedule of events, go to: events.ucsc.edu. Or call the ticket office at 831.459.2159. All numbers refer to the campus map on pages 10 and 11 (center spread). For off-campus facilities, see map on page 19.

**RESEARCH AND INSTRUCTIONAL FACILITIES**

The UCSC Arboretum has gardens with plants from Australia, New Zealand, and South Africa, as well as California natives, cactus and succulents, and a world conifer collection. The Arboretum also hosts lectures and workshops. Empire Grade, one-half mile west of the main entrance to the campus. Open daily 9 a.m.–5 p.m., except Thanksgiving and Christmas Days.

The UCSC Greenhouses instructional facility, located on the roof of Thimann Labs, is open to the public. It houses a botanical collection of over 1,000 species of plants with emphasis on ethnobotany; systematic botany, evolution, and ecology. Open Monday–Friday, 9 a.m.–3 p.m.

The 25-acre Farm, a project of the Center for Agroecology & Sustainable Food Systems, is located on the hilly slopes to the west of the main entrance road. Fruit trees, vegetables, flowers, herbs, berries, and other crops are used to study organic methods of sustainable agriculture. Similar work is done at the four-acre Alan Chadwick Garden just below Merrill College. Produce is sold at the main campus entrance late spring through early fall on Tuesdays and Fridays. Both facilities are open year-round 8 a.m.–6 p.m. and welcome visitors.

Lick Observatory, a facility of UC Observatories/Lick Observatory, is located atop Mt. Hamilton near San Jose. The Observatory produces a popular summer concert and lecture series, Music of the Spheres, and a Summer Visitors Program.

The station gallery is open 12 noon–5 p.m., Thursday–Sunday. For a recording about Lick activities, call 408.274.5061.

The Seymour Marine Discovery Center at Joseph M. Long Marine Laboratory, a major research facility for UC Santa Cruz’s Institute of Marine Sciences, is located three miles from campus at 100 Shaffer Road at the west end of Delaware Avenue in Santa Cruz (see UC Santa Cruz Off-Campus Locations map on page 19). Visitors can learn about marine life in Monterey Bay and the Pacific through aquaria, exhibits, and touch tanks. Admission is $8 for adults, $6 for senior citizens, students, and children ages 3–16, and free for children age 2 and under. Docent-led tours depart at 1, 2, and 3 p.m. every day except Monday. The center is open Tuesday–Sunday, 10 a.m.–5 p.m. and is closed Mondays; call 831.459.3800 for information.

**ART GALLERIES**

Art is everywhere on campus, from the murals and sculptures in our buildings, to the student and faculty...
art displayed in the cafés and galleries, to the studios at the Elena Baskin Visual Arts Center.

There are two primary art galleries on campus: the Mary Porter Sesnon Art Gallery at Porter College, and the Eloise Pickard Smith Gallery at Cowell College. Open during the academic year, both schedule exhibitions of work by contemporary artists and important collections of historic interest.

The Art Department also sponsors Open Studios to display student work. 831.459.3606 (Sesnon), 831.459.2953 (Smith)

MUSIC

Musical groups and performances flourish on campus, and UCSC is home to many talented musicians playing diverse forms of music. On any given weekend during the academic year, you may hear concerts by UCSC’s student ensembles, recitals by senior student musicians or faculty members, or professional musicians who have been invited to campus. Concerts are often free or low-admission.

Examples of recent musical events at UC Santa Cruz include April in Santa Cruz Contemporary Music Festival; Gamelan: Music & Dance from Java and Bali; Jazz Combos and Big Band; and the opera “Tartuffe.”

For calendars of events and more information, see events.ucsc.edu or arts.ucsc.edu/events.

THEATER

UC Santa Cruz presents a lively program of theater throughout the academic year, including a diverse array of student productions and professional theater productions.

Theater troupes on campus include the African-American Theater Arts Troupe, BarnStorm, Chautauqua Annual Student Theater Festival, and Rainbow Theater. Recent theatrical performances on campus have included To Be Young, Gifted and Black: A Portrait of Lorraine Hansberry in Her Own Words, presented by AATAT; the popular musical Rent; International Playhouse XIV; and Shakespeare To Go. Also, be sure to see UCSC’s annual student-choreographed dance performance, Random with a Purpose, if you are on campus during that time.

FILM

With its celebrated Film and Digital Media Department, UCSC is a creative center for filmmaking and film studies. Join us on campus for film screenings that are free and open to the public, including screenings of student works, film festivals, and screening/lectures.

Recent film screenings and related events at UCSC have included The Banff Mountain Film Festival; Peabody Award-Winning Visiting Artist Kara Oehler; the Wednesday Night Cinema Society; and the Dean’s Lecture Series—New Queer Cinema.

LECTURES, READINGS, AND COLLOQUIA

Opportunities abound on campus for learning about and discussing our world and the important issues of our time. Recent events have included University College London Professor Martin Holbraad speaking on “How Myths Make Men in Afro-Cuban Divination”; Associate Professor of education Lora Bartlett on “Migrant Teachers: How American Schools Import Labor”; and the Ken Walter Seminar: A Holocaust Micro-History.

The Living Writers Reading Series brings well-known writers to campus throughout the academic year. The 2014 series highlighted celebrated alumni authors, including award-winning author Reyna Grande, whose novels include Across a Hundred Mountains and Dancing with Butterflies; Zoe Ruiz, managing editor of The Rumpus; Molly Antopol, who won a National Book Award for her debut novel The UnAmericans; and Michael Scherer, Time magazine’s Washington, D.C. bureau chief.

SPORTS

In addition to numerous club sports and intramural teams, UCSC has men’s and women’s NCAA Division III teams in basketball, cross-country, soccer, swimming and diving, tennis, and volleyball, plus women’s track and golf. Join us on campus for a home game, conference, or meet. See goslugs.com for a complete schedule.

NATURE

With the university campus covering 2,000 acres of hilly terrain, there is ample opportunity for recreational hikers to enjoy the scenery, including the UCSC Campus Natural Reserve, 400 acres of protected natural land on campus. The Natural Reserve includes a wide range of geologic formations, ecological communities, and soil types, such as redwood forest, riparian corridors, seep zones and springs, chaparral communities, and mixed evergreen forest.

The campus also has miles of paved and unpaved bicycle trails through beautiful scenery.

A PDF of an An Upper Campus Map showing pedestrian and bike trails is available online at maps.ucsc.edu.
Santa Cruz Activities

Located on California’s Central Coast, 75 miles south of San Francisco and 30 miles southwest of San Jose, Santa Cruz is a medium-sized (population 62,000) town with its own vibrant personality. Since UC Santa Cruz was established here in 1965 on the site of the former Cowell Ranch, the university and the town have influenced each other to create its current diverse population of artisans, scientists and scholars, outdoor enthusiasts, students, and computer industry professionals.

Enjoying a moderate climate with 300 sunny days a year and low humidity, Santa Cruz is also a popular vacation destination. Travelers come from all over the world to enjoy the county’s 29 miles of beaches, ringed by mountains covered with redwood trees; picturesque seaside vistas; and the laid-back ambience of the town that has been nicknamed “Surf City.”

SANTA CRUZ AREA ATTRACTIONS

Centered on Pacific Avenue, Downtown Santa Cruz features shopping, restaurants, movie theaters, and cultural activities. downtownsantacruz.com

EVENT Downtown Santa Cruz Antique Street Faire
Second Sunday of the month, 9 a.m.–5 p.m. Lincoln Street between Pacific and Cedar Vendors offer an eclectic mix of antiques and unique items, from vintage clothing to collectibles and more. Look for that hard-to-find item or see what local merchants have to offer. facebook.com/pages/Santa-Cruz-Antique-Faire/157499219817

EVENT Santa Cruz Pride Parade and Festival: an LGBTIQ Event
First Sunday in June, every year Parade kicks off at Pacific Avenue and Cathcart Street in Downtown Santa Cruz In 2014, Santa Cruz celebrated the 40th anniversary of its Pride parade and festival, honoring the LGBTIQ community’s trailblazers with a parade, a diverse lineup of performers, a DJ, face painters, and more. Sponsored by Santa Cruz Diversity Center. diversitycenter.org/programs/santa-cruz-glbtiq-pride

Santa Cruz’s famous beaches offer swimming, surfing, sailing, picnicking, kayaking, volleyball, scenic drives, whale watching, and people watching. Santa Cruz County Conference and Visitor’s Center 831.425.1234 or 800.833.3494 santacruz.org

Santa Cruz Beach Boardwalk is an old-fashioned, family-style seaside amusement park, featuring roller coasters and other rides, a carousel, arcades, food, and souvenir shopping. 400 Beach Street, Santa Cruz Open daily from Memorial to Labor Day; weekends and holidays during fall, winter, and spring. 831.423.5590 guest.services@scseaside.com beachboardwalk.com

Six miles north of Santa Cruz, Roaring Camp Railroads is a family-friendly, fun ride through towering redwoods on two historic railroads. Visit an 1880’s logging camp. 5401 Graham Hill Rd., Felton Open daily 10 a.m.–5:30 p.m. 831.335.4484 roaringcamp.com

Santa Cruz Harbor is a full-service marina with 1,200 boats, a launch ramp, a fuel pier, charter boats, fishing and whale watching, and restaurants. 135 5th Avenue, Santa Cruz Office open daily 9 a.m.–5 p.m. 831.475.6161 santacruzharbor.org/visitorinformation.html

Along the scenic Santa Cruz Municipal Wharf is a collection of nine gift shops, eight restaurants, and fishing charter companies. AROUND SANTA CRUZ

Santa Cruz County is home to many beachside, mountain, and agricultural communities, offering additional opportunities for sightseeing, sports and recreation, and cultural excursions. With their unique histories and populations, these towns create a diverse and fascinating cultural landscape for the area.

CAPITOLA

Just south of Santa Cruz on Highway 1 is Capitola Village, a seaside town of about 10,000 people featuring beaches, shops and restaurants, and a famous view of brightly-painted houses by the seashore.

EVENT

Begonia Festival
Labor Day Weekend, August 29 – September 1, 2014
A Capitola tradition since 1954, the Begonia Festival features a nautical parade of begonia-themed floats, a sand sculpture contest, dances, movies, and more.
begoniatestival.com 831.475.6522

EVENT
